# CERTIFICATION AND LICENSURE EXAM FEE REIMBURSEMENT PROGRAM

## A. Program Description

The Certification and Licensure Exam Fee Reimbursement (CLEFR) Program reimburses the cost of examinations for first time certification, licensure, or designation of Public Employees Federation (PEF)-represented employees. CLEFR enables employees to improve job-related skills in their profession and gain the knowledge and skills necessary for promotional opportunities and career mobility within New York State service. Examination fees to renew certifications, licenses, or designations previously obtained by an employee are not reimbursable. *This program does not cover fees for Civil Service exams. Some Civil Service exams may be reimbursed through PEF Membership Benefits. Check the PEF website at [www.pef.org](http://www.pef.org) under **Membership Benefits** or call PEF at (518) 785-1900.*

## B. Funding and Oversight

Funding for the CLEFR Program is provided through Article 15 of the 2023-2026 Agreement between the State of New York and PEF. Article 15 also establishes the Professional Development Committee (PDC) that consists of two designees from the Office of Employee Relations (OER) and two from PEF. The PDC has adopted these program guidelines and monitors the administration of this program.

## C. Program Highlights

- Provides reimbursement for the cost of examinations for first time certification, licensure, or designation of PEF-represented employees for exams that begin during the period of January 1, 2024, through December 31, 2024.
- Eligible employees may be reimbursed up to a maximum of is \$1,100 per calendar year. The start date of the exam determines which calendar year benefits the reimbursement is applied to.
- Reimbursement requires a passing exam grade. The CLEFR Program will not cover incomplete or failed exams.
- All applications and supporting documentation for reimbursement must be submitted within 90 days after the end date of the exam. The 2024 CLEFR Program was launched on May 20, 2024. In order to allow sufficient time for submission, any applications for exams that began on or after January 1, 2024, and ended prior to May 20, 2024, may be submitted within 90 days after the launch date.
- The postmark or email date will be used to determine the timeliness of the application.

### C. Program Highlights (Continued)

- **All reimbursements issued during the calendar year are reported to the Office of the State Comptroller (OSC) during the month of October. Once these reimbursements are reported, no further payments will be issued until after January 1 of the following calendar year.**
- **The IRS considers reimbursements under the Certification and Licensure Exam Fee Reimbursement Program taxable income. The Office of the State Comptroller will withhold estimated taxes at the end of the calendar year. This may result in substantial withholding from paychecks at the end of the year and applicants should plan accordingly.**

### D. Employee Eligibility

Applicants are eligible to participate in the CLEFR Program under the following conditions:

#### 1. *Current PEF-Represented Employees*

At both the start and end dates of the exam, the applicant must be:

- Actively employed in a PEF-represented position
- A New York State or Roswell Park Cancer Institute employee with attendance rules coverage who is either full- or part-time (working 50 percent or more)

#### 2. *Laid Off Employees*

A New York State or Roswell Park Cancer Institute employee is eligible for reimbursement if the applicant:

- Has been laid off
- Has not been rehired by New York State or Roswell Park in a PEF-represented position
- Is on the appropriate Civil Service or Roswell Park Preferred List

To be eligible for reimbursement, the exam start date must be within 12 months of the layoff date. The applicant must provide documentation showing the layoff date and preferred list standing. The documentation must be signed by a personnel officer and sent as an attachment with other supporting documentation.

#### 3. *Less than Half-Time Employees*

A New York State or Roswell Park Cancer Institute employee, represented by PEF, who works less than 50 percent, shall receive 50 percent of the benefit with proper documentation. Eligibility will be based on work status on the start date of the exam.

## E. Exam Eligibility

CLEFR is available for job-related and career-related exams that result in first time certification, licensure, or designation at an approved institution or professional association.

### 1. *Job-Related or Career-Related:*

- *Job-related* exams must directly relate to the employee's current profession or job assignments, duties, and responsibilities.
- *Career-related* exams must provide the employee with the knowledge, skills or abilities to increase opportunity for advancement or career mobility within their current profession or in a career path for which there currently is a need in New York State government, such as nursing and accounting.

Questions frequently arise regarding the eligibility of exams leading to certificates or licenses in fields such as real estate, personal tax preparation, and self-help. In keeping with the requirement that the exam be job or career-related, exams in these areas will not be eligible for reimbursement unless the applicant can demonstrate that the subject matter is directly relevant to his or her job or career in New York State government.

The PDC maintains sole discretion for making the final determination on whether an exam is eligible for reimbursement. Documentation may be requested from the applicant's supervisor to assist in determining eligibility.

### 2. *Certification, Licensure, or Designation*

The exam must result in first time certification, licensure, or designation for an occupation that currently exists in New York State service. Examples include, but are not limited to:

- *Information Technology:* Exams for certification in specific software programs or hardware by corporations, such as Microsoft, Novell, and Oracle
- *Substance Abuse:* Credentialed Alcoholism and Substance Abuse Counselor written exams
- *Law:* New York State Bar exam
- *Finance:* Certified Public Accountant exam
- *Nursing:* Certification in specific nursing disciplines, such as psychiatry or forensics
- *Engineering:* Certification in specific engineering disciplines such as storm water management

### 3. *Provider Eligibility*

The certification, licensure, or designation must be awarded by an eligible provider who is defined by one or more of the following:

- Chartered, approved, or authorized by the New York State Board of Regents or an equivalent recognized body
- Licensed or registered by the New York State Education Department or an equivalent recognized accrediting body

- Licensed, registered, or approved by a department or agency of the State of New York to provide specific certification or licensing exams
- Certified computer or software corporations, such as Microsoft or Oracle, and authorized third parties who administer classes and certification exams on software, hardware, and other related information technology equipment
- Nationally recognized professional associations or their state or local chapters accredited to administer specific exams and award certification by the appropriate accrediting body
- Other providers may be approved at the sole discretion of the PDC

## **F. Application Time Period and Deadline**

The CLEFR Program covers eligible expenses incurred for exams that begin during the period of January 1, 2024, through December 31, 2024. The start date of the exam determines which calendar year benefits the reimbursement is applied to. All applications must be submitted within 90 days after the end date of the exam.

The 2024 CLEFR Program was launched on May 20, 2024. In order to allow sufficient time for submission, any applications for exams that began on or after January 1, 2024, and ended prior to May 20, 2024, may be submitted within 90 days after the launch date. The postmark or email date will be used to determine the timeliness of the application.

## **G. Release Time**

The CLEFR Program does not entitle an employee to receive release time.

## **H. Expenses Covered**

Eligible employees will be reimbursed for the cost of examinations for first time certification, licensure, and designations. Where an eligible employee, by virtue of work/professional experience and training, is permitted to seek evaluation of credentials in lieu of an examination, reimbursement of fees paid for this evaluation will be permitted provided the evaluation leads to initial certification, licensure, or designation in New York State and all other program requirements are met.

## **I. Expenses Not Covered**

Costs and fees not reimbursed by this program include, but are not limited to:

- Civil Service exam fees
- Fees for renewing or maintaining existing certifications, licenses, and designations whether by application or re-examination
- Any fees that are not part of the examination fee (application, processing, academic fees, shipping fees)
- Sales tax
- Study material (books, CDs, DVDs) and supplies
- Fees for exams leading to certification in a career that doesn't exist in New York State government

- Fees for exams leading to college credit for life experience
- Real estate licenses and certifications

## **J. Maximum Reimbursement**

Eligible employees may be reimbursed up to a maximum of \$1,100 per calendar year. The start date of the exam will determine which calendar year the funding is from.

## **K. Alternative Sources of Financial Assistance**

The CLEFR Program reimbursement will be secondary to any other financial assistance received. If the applicant receives assistance from any source, such as the agency, or a professional organization, the source and amount must be reported on the CLEFR application and on the paid invoice. This amount must be subtracted from the total reimbursement amount requested. An employee who fails to report the amount of assistance must repay the overpayment. These participants may be excluded from participating in future programs.

## **L. Taxation of Certification and Licensure Exam Fee Reimbursements**

The IRS considers reimbursements under the Certification and Licensure Exam Fee Reimbursement Program to be taxable income. All reimbursements issued during the calendar year are reported to the Office of the State Comptroller (OSC) during the month of October. The tax reports are based on the reimbursement check date. Once these reimbursements are reported, no further payments will be issued until after January 1 of the following calendar year.

At the end of each calendar year, OSC will withhold estimated taxes at the end of the calendar year. Employees should consult a tax expert with questions regarding taxation of these benefits (reimbursements). This may result in substantial withholding from paychecks at the end of the year and applicants should plan accordingly. The Office of Employee Relations (OER) cannot provide any tax clarification or advice.
